

Procedure	Section	Contact Information
Ablation, Body	Abdominal	8:00am-4:30pm: Page Marci Alexander, RN (*5741). 4:30pm-8:00am + weekends: Page *0082.
Ablation, MSK	MSK	8:00am-4:30pm: Page Erica Timm, RN (*5201). 4:30pm-8:00am + weekends: Page *0082.
Abscess Drain Placement	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Angioplasty	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Arteriogram	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Arthrogram, Adult	MSK	8:00am-4:30pm: Page Erica Timm, RN (*5201). 4:30pm-8:00am + weekends: Page *0082. VA 8:00am-4:30pm weekdays: Put in VistA consult. VA afterhours/weekends: Page *0082.
Arthrogram, Pediatric, Ordered by AFCH Orthopedic Surgery	Pediatric	8:00am-4:30pm: Call 263-0670. 4:30pm-8:00am + weekends: Page *0082. <i>*Ordering service is responsible for coordinating with pediatric sedation (262-4402), or the OR control desk for anesthesia (890-7200), if necessary.</i>
Arthrogram, Pediatric, Orders by all other services	MSK	8:00am-4:30pm: Page Erica Timm, RN (*5201). 4:30pm-8:00am + weekends: Page *0082. <i>*Ordering service is responsible for coordinating with pediatric sedation (262-4402), or the OR control desk for anesthesia (890-7200), if necessary.</i>
Aspiration, Body, CT-Guided, Adult	Abdominal	8:00am-4:30pm: Page Marcia Foltz, RN (*9432). 4:30pm-8:00am + weekends: Page *0082. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page *0082
Aspiration, Body, US-Guided, Adult	Abdominal	8:00am-4:30pm: Page Sara Schneider, RN (*6656).

		4:30pm-8:00am + weekends: Page *0082. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page *0082.
Aspiration, Body, CT- or US-Guided, Pediatric	Pediatric	8:00 am-4:30pm: Call 263-0670. 4:30pm-8:00am + weekends: Page *0082.
Aspiration, Breast	Breast	8:00am-4:30pm: call Breast Center technologists at 263-8463. 4:30pm-8:00am + weekends: Page *0082.
Biliary Drain Placement	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Biopsy, Body, CT-Guided, Adult	Abdominal	8:00am-4:30pm: Page Marcia Foltz, RN (*9432). 4:30pm-8:00am + weekends: Page *0082. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page *0082.
Biopsy, Body, US-Guided, Adult	Abdominal	8:00am-4:30pm: Page Sara Schneider, RN (*6656). 4:30pm-8:00am + weekends: Page *0082. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page *0082.
Biopsy, Body, Pediatric	Pediatric	8:00am-4:30pm: Call 263-0670. 4:30pm-8:00am + weekends: Page *0082. <i>*Ordering service is responsible for coordinating with pediatric sedation (262-4402), or the OR control desk for anesthesia (890-7200), if necessary.</i>
Biopsy, Breast, Stereotactic or US- or MRI-guided	Breast	8:00am-4:30pm weekdays: Call Breast Center technologists at 263-8463.
Biopsy, MSK	MSK	8:00am-4:30pm: Page Erica Timm, RN (*5201). 4:30pm-8:00am + weekends: Page *0082. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page *0082.
Blood Patch	<i>Not radiology</i>	Page anesthesia (*7246).
BRTO/BATO	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Bursa Injection, Adult	MSK	8:00am-4:30pm: Page Erica Timm, RN (*5201). 4:30pm-8:00am + weekends: Page *0082.

		VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page *0082.
Bursa Injection, Pediatric	Pediatric	8:00am-4:30pm: Call 263-0670. 4:30pm-8:00am + weekends: Page *0082. <i>*Ordering service is responsible for coordinating with pediatric sedation (262-4402), or the OR control desk for anesthesia (890-7200), if necessary.</i>
Central Retinal Artery Occlusion, Thrombectomy/ Thrombolysis	Neuro- Interventional	Page Neuro Intervascular Fellow Radiology.
Chait Change, Adult	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Chait Change, Pediatric	Pediatric	8:00am-4:30pm: Call 263-0670. 4:30pm-8:00am + weekends: Page *0082. Outpatient: 8:00am-4:30pm: Page Peg Baker, CPC (*9657). <i>*Ordering service is responsible for coordinating with pediatric sedation (262-4402), or the OR control desk for anesthesia (890-7200), if necessary.</i>
Chest Tube Placement	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Calcific Tendinitis Aspiration	MSK	8:00am-4:30pm: Page Erica Timm, RN (*5201). 4:30pm-8:00am + weekends: Page *0082. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page *0082.
Cholangiogram	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Cholecystostomy Tube Placement	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Discography	MSK	8:00am-4:30pm: Page Erica Timm, RN (*5201). 4:30pm-8:00am + weekends: Page *0082. VA 8:00am-4:30pm weekdays: Put in VistA

		consult. VA afterhours/weekends: Page *0082.
Dobhoff Placement, Fluoroscopy- Guided, Adult	Abdominal	8:00am-4:30pm: Call 263-8350. 4:30pm-8:00am + weekends: Page *0082.
Dobhoff Placement, Fluoroscopy- Guided, Pediatric	Pediatric	8:00 am-4:30pm: Call 263-0670. 4:30pm-8:00am + weekends: Page *0082. <i>*Ordering service is responsible for coordinating with pediatric sedation (262-4402), or the OR control desk for anesthesia (890-7200), if necessary.</i>
Epidural Injection	MSK	8:00am-4:30pm: Page Erica Timm, RN (*5201). 4:30pm-8:00am + weekends: Page *0082. VA 8:00am-4:30pm weekdays: Put in VistA consult. VA afterhours/weekends: Page *0082.
Embolization	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Enema, Barium/Contrast, Adult	Abdominal	8:00am-4:30pm: Call 263-8350. 4:30pm-8:00am + weekends: Page *0082.
Enema, Barium/Contrast, Pediatric	Pediatric	8:00am-4:30pm: Call 263-0670. 4:30pm-8:00am + weekends: Page *0082. <i>*Ordering service is responsible for coordinating with pediatric sedation (262-4402), or the OR control desk for anesthesia (890-7200), if necessary.</i>
Epistaxis, Embolization	Neuro- Interventional	Page Neuro Intervascular Fellow Radiology.
Esophagram, Adult	Abdominal	8:00am-4:30pm: Call 263-8350. 4:30pm-8:00am + weekends: Page *0082
Esophagram, Pediatric	Pediatric	8:00am-4:30pm: Call 263-0670. 4:30pm-8:00am + weekends: Page *0082. <i>*Ordering service is responsible for coordinating with pediatric sedation (262-4402), or the OR control desk for anesthesia (890-7200), if necessary.</i>
Facet Injection	MSK	8:00am-4:30pm: Page Erica Timm, RN (*5201). 4:30pm-8:00am + weekends: Page *0082. VA 8:00am-4:30pm weekdays: Put in VistA consult.

		VA afterhours/weekends: Page *0082.
Fistulogram, Dialysis	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Foreign Body Retrieval, Intravascular	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Gastrostomy Tube Placement	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Gastrostomy or Gastrojejunostomy Change, Adult	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Gastrostomy or Gastrojejunostomy Change, Pediatric	Pediatric	Inpatient: 8:00am-4:30pm: Call 263-0670. 4:30pm-8:00am + weekends: Page *0082. Outpatient: 8:00am-4:30pm: Page Peg Baker, CPC (*9657). <i>*Ordering service is responsible for coordinating with pediatric sedation (262-4402), or the OR control desk for anesthesia (890-7200), if necessary.</i>
Intussusception Reduction	Pediatric	8:00am-4:30pm: Call 263-0670. 4:30pm-8:00am + weekends: Page *0082. <i>*Ordering service is responsible for coordinating with pediatric sedation (262-4402), or the OR control desk for anesthesia (890-7200), if necessary.</i>
IVC Filter Placement/Retrieval	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Joint Aspiration or Injection, Adult	MSK	8:00am-4:30pm: Page Erica Timm, RN (*5201). 4:30pm-8:00am + weekends: Page *0082. VA 8:00am-4:30pm weekdays: Put in VistA consult. VA afterhours/weekends: Page *0082.
Joint Aspiration or Injection, Pediatric	Pediatric	8:00 am-4:30pm: Call 263-0670. 4:30pm-8:00am + weekends: Page *0082. <i>*Ordering service is responsible for coordinating with pediatric sedation (262-</i>

		4402), or the OR control desk for anesthesia (890-7200), if necessary.
Lumbar Puncture, Ultrasound- or Fluoroscopy-Guided, >12 years old	Neuro	7:30am-4:30pm: Page Abbey Pampuch, RN (*9245). 4:30pm-9:00pm + weekends 8:00am-8:00pm: Call 263-8623. All other times: Page *0082.
Lumbar Puncture, Ultrasound- or Fluoroscopy-Guided, <12 years old	Pediatric	8:00 am-4:30pm: Call 263-0670. 4:30pm-8:00am + weekends: Page *0082. <i>*Ordering service is responsible for coordinating with pediatric sedation (262-4402), or the OR control desk for anesthesia (890-7200), if necessary.</i>
Localization, Breast	Breast	8:00am-4:30pm: Call Breast Center technologists at 263-8463.
Lymphangiogram, Invasive	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Myelogram, Adult	Neuro	7:30am-4:30pm: Page Abbey Pampuch, RN (*9245). 4:30pm-9:00pm + weekends 8:00am-8:00pm: Call 263-8623. All other times: Page *0082.
Myelogram, Pediatric	Peds Neuro	7:30am-4:30pm: Page Abbey Pampuch, RN (*9245). 4:30pm-9:00pm + weekends 8:00am-8:00pm: Call 263-8623. All other times: Page *0082. <i>*Ordering service is responsible for coordinating with pediatric sedation (262-4402), or the OR control desk for anesthesia (890-7200), if necessary.</i>
Nasogastric Tube, Fluoroscopy-Guided, Adult	Abdominal	8:00am-4:30pm: Call 263-8350. 4:30pm-8:00am + weekends: Page *0082.
Nasogastric Tube, Fluoroscopy-Guided, Pediatric	Pediatric	8:00am-4:30pm: Call 263-0670. 4:30pm-8:00am + weekends: Page *0082. <i>*Ordering service is responsible for coordinating with pediatric sedation (262-4402), or the OR control desk for anesthesia (890-7200), if necessary.</i>
Nerve Block	MSK	8:00am-4:30pm: Page Erica Timm, RN (*5201). 4:30pm-8:00am + weekends: Page *0082.

		VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page *0082.
Paracentesis, Adult	Abdominal	8:00am-4:30pm: Page Sara Schneider, RN (*6656). 4:30pm-8:00am + weekends: Page *0082. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page *0082.
Paracentesis, Pediatric	Pediatric	8:00 am-4:30pm: Call 263-0670. 4:30pm-8:00am + weekends: Page *0082. <i>*Ordering service is responsible for coordinating with pediatric sedation (262-4402), or the OR control desk for anesthesia (890-7200), if necessary.</i>
Pelvic Congestion Syndrome	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
PICC Placement (Failed Bedside), Adult	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad. VA afterhours/weekends: Page *0082.
PICC Placement, Pediatric	IR	Page Radiology Res Interventional Rad. <i>*Ordering service is responsible for coordinating with pediatric sedation (262-4402), or the OR control desk for anesthesia (890-7200), if necessary.</i>
Platelet Rich Plasma Injection	MSK	8:00am-4:30pm: Page Erica Timm, RN (*5201). 4:30pm-8:00am + weekends: Page *0082. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page *0082.
Portal Vein Embolization	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Port Placement	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Spinraza Injection, >12 Years Old	Neuro	7:30am-4:30pm: Page Abbey Pampuch, RN (*9245).
Spinraza Injection, <12 Years Old	Pediatric	8:00am-4:30pm: Call 263-0670. <i>*Ordering service is responsible for coordinating with pediatric sedation (262-</i>

		<i>4402), or the OR control desk for anesthesia (890-7200), if necessary.</i>
Stent Placement	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
TACE	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Tendon Injection	MSK	8:00am-4:30pm: Page Erica Timm, RN (*5201). 4:30pm-8:00am + weekends: Page *0082. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page *0082.
Thoracentesis, Adult	Abdominal	8:00am-4:30pm: Page Sara Schneider, RN (*6656). 4:30pm-8:00am + weekends: Page *0082. VA 8:00am-4:30pm weekdays: Put in VistA consult. VA afterhours/weekends: Page *0082.
Thoracentesis, Pediatric	Pediatric	8:00am-4:30pm: Call 263-0670. 4:30pm-8:00am + weekends: Page *0082. <i>*Ordering service is responsible for coordinating with pediatric sedation (262-4402), or the OR control desk for anesthesia (890-7200), if necessary.</i>
Thoracic Duct Embolization	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Thrombolysis, PE or Venous	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
TIPS	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Transjugular Liver Biopsy	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Tunneled Line Placement	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult.

		VA afterhours/weekends: Page Radiology Res Interventional Rad.
Upper GI, Adult	Abdominal	8:00am-4:30pm: Call 263-8350. 4:30pm-8:00am + weekends: Page *0082. VA 8:00am-4:30pm: Order study in CPRS. VA afterhours/weekends: Page *0082.
Upper GI, Pediatric	Pediatric	8:00 am-4:30pm: Call 263-0670. 4:30pm-8:00am + weekends: Page *0082.
Uterine Fibroid Embolization	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Varicocele Embolization	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Vascular Malformation Intervention	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Venous Sampling	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
Y-90 Therapy	IR	Page Radiology Res Interventional Rad. VA 8:00am-4:30pm: Put in VistA consult. VA afterhours/weekends: Page Radiology Res Interventional Rad.
